38

36

A rectangular card with rounded corners, featuring a botanical pattern of various green and brown leaves and ferns. The card is divided into a top section and a bottom section. The top section contains the equation 6×7 . The bottom section is further divided into three smaller boxes, each containing a number.
$$6 \times 7$$

14

67

42

A rectangular card with rounded corners, featuring a botanical pattern of various green and brown leaves and ferns. The card is divided into a top section and a bottom section. The top section contains the equation 6×8 . The bottom section is further divided into three smaller boxes, each containing a number.
$$6 \times 8$$

24

48

46

A rectangular card with rounded corners, featuring a botanical pattern of various green and brown leaves and ferns. The card is divided into a top section and a bottom section. The top section contains the equation 6×9 . The bottom section is further divided into three smaller boxes, each containing a number.
$$6 \times 9$$

54

15

56

A rectangular card with rounded corners, featuring a botanical pattern of various green and brown leaves and ferns. The card is divided into a top section and a bottom section. The top section contains the equation 6×10 . The bottom section is further divided into three smaller boxes, each containing a number.
$$6 \times 10$$

40

80

60

A rectangular card with rounded corners, featuring a botanical pattern of various green and brown leaves and ferns. The card is divided into a top section and a bottom section. The top section contains the equation 7×0 . The bottom section is further divided into three smaller boxes, each containing a number.
$$7 \times 0$$
